- **Model:** PROTURN 360
- **Serial Number:** 10565
- **Condition:** Used
- **Stock Number:** 49287
- **Cutting Width:** 60 inches
- **Engine:** KAWASAKI FX921 V GAS ENGINE
- **Hours:** 804
- **Warranty:** Under 5-year/1250-hour manufacturer warranty

This commercial-grade zero-turn mower features a powerful Kawasaki FX921 V gas engine and a generous 60-inch cutting deck, perfect for tackling large properties and commercial landscaping jobs with ease. With just 804 hours, this machine has plenty of life left and is still covered under the manufacturer's 5-year/1250-hour warranty.

The ProTurn 360 is known for its exceptional maneuverability, durability, and comfortable operator experience. The zero-turn capability allows for precise mowing around obstacles, significantly reducing trimming time and increasing productivity.
